1. Introduction This website (UK Home Biz) uses cookies to improve your experience. By using our website, you agree to our use of cookies as set out in this policy.

2. What are Cookies? Cookies are small text files that are placed on your computer or mobile device when you browse websites. They are widely used to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

3. How We Use Cookies We use cookies for the following purposes:

- **Essential Cookies:** These are necessary for the website to function properly (e.g., security, page loading, and network management). You cannot switch these off in our systems.
- **Performance & Analytics:** We use these to understand how visitors interact with our website (e.g., which pages are visited most often). This helps us improve the way our website works. All information these cookies collect is aggregated and therefore anonymous.
- **Functionality:** These allow the website to remember choices you make (such as your user name, language, or the region you are in) to provide enhanced, personal features.

4. Third-Party Cookies In some special cases, we also use cookies provided by trusted third parties. The following section details which third-party cookies you might encounter through this site:

- **Wix:** Our website platform provider uses cookies for security and site stability.
- **Google Analytics:** One of the most widespread and trusted analytics solutions on the web for helping us to understand how you use the site and ways that we can improve your experience.
- **Social Media:** We use social media buttons and/or plugins on this site that allow you to connect with your social network in various ways. For

these to work, social media sites (such as Facebook, Instagram, or WhatsApp) will set cookies through our site which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.

5. How to Control Cookies You can manage your cookie preferences through the settings in your web browser. Most browsers allow you to refuse to accept cookies and to delete cookies. The methods for doing so vary from browser to browser, and from version to version. You can obtain up-to-date information about blocking and deleting cookies via these links:
